

Dear Atty. Michael Kaplan + Tracy,  
I want to thank you both for  
all the hard work and time you  
both put into helping me. You  
are both hard workers and in  
my opinion the law office of Attorney  
Kaplan and Staff deserve two  
thumbs up and a grade A because  
you are all very personable and take  
your work very seriously and you  
respect your clients.

Sincerely yours  
Stacy

Dear Attorney Kaplan,

Thank you for your professional, unending patience and expert knowledge awarding me **\$47,000.00** for my personal automobile injury claim. This award was quick and completed within 6 months of my initial contact with you! I was amazed, especially given the fact that there was only a **\$1,000.00** offer!

You were always available with your outstanding professional service from start to finish with your care and concern. You always made me feel comfortable knowing what to expect, keeping me well informed and you treated my case with the utmost importance.

I am completely satisfied with your services. I tell everyone what a fine professional job you did for me! I can now move forward with my life and ease my life situation with the money received from your services!

Warm Regards,

Jane

Dear Mike,

Thank you so much for all your help the last few years. I was very glad to have someone like you on my side. You've been very kind to me during a trying time and I appreciate it very much. It was very generous of you to prepare our wills for us and we appreciate that too. Thank you again.

With deepest regards,

Mike
